

## **3D-Guitar's Summer Rock Band Camp 2017**

Every summer since our inception, we have hosted a Summer Rock Band Camp. The concerts this year will take place on the Pembroke Town Green on Sunday August 27<sup>th</sup> & Sunday September 3<sup>rd</sup> at 2 pm to approximately 5:30. (we book two dates in case of bad weather, students are not required to play in both if they have summer or schedule conflicts. If not attending both please inform us! )

The Summer Rock Band Camp will teach students how to organize, play, and rehearse in a band. They will learn to play and collaborate with other students, and pick songs to include everyone's musical interests. We understand that the summer is a relaxing time and no one wants to be over-scheduled. We try to make this program fun and flexible for everyone.

Each student's summer availability will determine what days, times and how many bands that student will perform with. Attached is the sign up sheet, which should include your child's summer availability. We use this information to work out a schedule that will be convenient to students and family.

Typically, each band will have 2 supervised rehearsals with a teacher/mentor per week. These rehearsal sessions will usually be held in the early afternoon, or in the evening. The band sessions run 1 to 2 hours in length, depending on how many songs there are to practice.

The concerts will be held outside, on the Pembroke Town Green. In the event of rain on the first concert date, the event will take place on the second scheduled concert date or rescheduled if necessary.

The cost for current customers who will be continuing lessons through the summer months is \$150.00. For students that are taking the summer off we encourage them to take part in the Band Camp at the reduced cost of \$200.00. Also, any friends that are not currently students are welcome to join as well, at a cost of \$250.00.

Attached is the sign up sheet, which should include your child's summer availability. We use this is used to work out a schedule that will be convenient to students and family. Deadline for enrollment is June 24<sup>th</sup>.

**THANKS SO MUCH, WE LOOK FORWARD TO A GREAT CONCERT !... Pete**
